

I am proud of my family members, because we
 have never been late ^{for} school or work.
 We always get up by 7:00, not only on weekdays ^{to our given places, such as schools and workplaces.}
 but also on weekends. I think ^{getting up early}
^{that early risers are surely able to find}
 makes enough time to prepare for ^{classes or work.}
^{necessary daily things.}
 I ^{can} sometimes study in the morning before I go to
 school. I can study ^{for} only 10 minutes, but if I ^{can} continue
 to study in the morning for a year, ^{my efforts} ^{lead to} ^{it} will ^{become}
^{a great time}
^{unexpected amazing points}
 I think there ^{is} the other good point ^{to get up early.}
^{are other benefits} ^{of this good habit.}
 We can concentrate ^{on} classes, because we don't
ⁱⁿ
 feel sleepy. ^{And} it is ^{good} for our health.
^{Also,} ^{healthy}
 Most people know that getting up early is a good
 habit, but it ^{is} difficult. ^{So} I can be proud of ^{my}
^{seems} ^{to realize.} Thus, ^{family members.}
